

Race day at a warm and dry Oulton Park saw mixed fortunes for TH Motorsport team driver, Matt Hamilton. After a good start in Race 1, Matt's race was cut short on lap 2 following an incident with Shaun Hollamby's Golf on the exit from the Knickerbrook chicane. Race 2 however proved again that this car and driver combination is capable of challenging for BTCC points, finishing in a solid 12th place, just over a second behind Dave Pinkney in 10th place. The final race of the day saw another competitive drive for Matt in the Honda Civic Type R, eventually finishing an incident packed race in 13th place.
